Other communications: Jill Lythgoe called me on the phone. Her Chapter is doing a Memorial at our Founder's Day Luncheon. Please give her names of our Beta Sigma Sisters that passed on 2010-2011.

I gave Jill six names. She thanked me. Appreciate it very much.

Note: Sent 150 cards

A Question was brought up at our April 4th meeting WOY. Janice said at our CC meeting to this sister, it was already taken care of, and question was brought up again at our CC Exec. Board meeting did not get any information about CC WOY nominations at our City Council meetings. Sandy Hamilton remembered me saying it at each meeting Jan. Feb and in March. Ruth said to the Recording Sec., why was it not reported in our CC minutes?

Corrections needs to be made in the minutes. Thank you

Looking at my card list back January 10th and February 7th: Please give me your CC WOY name, no later than March 7th CC meeting. Also, March 7th again reminder to give me that day at our CC meeting your CC WOY before March 15th. So I can mail to BSP International, so Karla MacRae gets it before March 15th. Nominations were mailed off to Karla MacRae. Karla contacted me March 18th about our CC WOY.

Thank you.

Respectfully Submitted,
